

A meeting co-sponsored by the Association of Christian Accountants and
International Crossroad Association

Money, Work and Responsibility

The role of accountancy in the global economy

Money - a useful measure of value?

Money - a spur to responsible behaviour?

Money - a reward for good work?

Money - a good servant but a poor master?

Money - a potential idol?

Money - a source of temptation?

**Free Admission for Christian Professionals and
all those who are interested in the topic**

Meeting will be conducted in Cantonese.

**Keynote and Respondent Speeches will be delivered
in English (without translation)**

**Keynote Speaker:
Rev. Dr. Richard Higginson**

- Director of Studies at Ridley Hall Theological College, Cambridge,
- Lecturer in Christian Ethics and Leadership at Ridley Hall
- Director of Faith in Business Project, a unique resource for relating Christian faith to the business world which integrates the areas of faith, values and leadership,
- Editor of the quarterly journal *Faith in Business*
- Author of several books, including *Called to Account*, *Transforming Leadership* and *Questions of Business Life*
